

Solid Waste Transfer & Recycling Services

EFFICIENT TRANSFER STATION AND RECYCLING OPERATIONS ARE ENHANCED BY VALUE ADDED ENGINEERING SERVICES - GET THE PERMITS YOU NEED

Increase Your Profits by Recycling These Materials to Achieve:

- ▶ Avoided Disposal Cost
- ▶ Market Sales of Products
- Gypsum Sheetrock
- Concrete, Masonry - Recycled Aggregate
- Electronic E-Waste
- Roofing & Siding

Recycled Materials Processing

- OCC
- Office Paper
- Wood
- Green Waste
- Recycled Aggregate (RA)
- Mixed Paper
- Plastics
- Metals
- Glass
- Gypsum Sheetrock

Transfer Station Materials Sorting

Materials Recovery Facility

Professional Services:

- Permitting Services: NYSDEC & NJDEP
- Part 360 Permit Modifications
- Part 360 Permit Renewals
- Part 360 Expansions
- Part 360 Modifications
- RA Part 360 Permit Modifications
- NYSDEC Air Permits
